Wallingford is an ancient town on the banks of the Thames, fifteen miles from Reading. It is an interesting town bristling with memories of the past. These include the remnants of the old castle, some interesting churches, and several other relics of its bygone greatness. The river scenery in this locality is of a particularly attractive type.

My dear Helen -

7/26/12

Be sure to get

your work all done

before you take your

vacation - and don't

leave any "mistakes"

behind. would like to

be up in the Sturdevant

maple this week. However,

am busy as I see.

Kind regards

as ever -

Etta A. Sturdevant
